Thoughts and Prayers for the Week

Worship Quotes

"The most valuable thing the Psalms do for me is to express the same delight in God which made David dance."

— C.S. Lewis

"The final aim and reason of all music is nothing other than the glorification of God and the refreshment of the spirit."

— Johann Sebastian Bach

"Many Spirit-filled authors have exhausted the thesaurus in order to describe God with the glory He deserves. His perfect holiness, by definition, assures us that our words can't contain Him. Isn't it a comfort to worship a God we cannot exaggerate?"

— Francis Chan

"That is what worship is all about. It is the glad shout of praise that arises to God the creator and God the rescuer from the creation that recognizes its maker, the creation that acknowledges the triumph of Jesus the Lamb. That is the worship that is going on in heaven, in God's dimension, all the time. The question we ought to be asking is how best we might join in."

— N.T. Wright
